Order Management -> RFP Management :-

The screenshot displays two proposal cards in the RFP Management interface. The top card is for a contact named 'tdr' with details: Contact Number: + 423432432423, Email: rrr@mailinator.com, Category: Electrical Design, Location: df, fd, Algeria, and Experience: +0 (In Year). It has buttons for 'Accepted', 'Respond', and 'Delete', and a 'VIEW DOCUMENT' link. The bottom card is for a contact named 'dsf' with details: Contact Number: + 98754656564, Email: rep@mailinator.com, Category: Strutural Design, Location: sdf, sdf, Austria, and Experience: +0 (In Year). It has buttons for 'Accept', 'Reject', 'Respond', and 'Delete', and a 'VIEW DOCUMENT' link. Red annotations with arrows point to specific elements: 'click here to accept' points to the 'Accepted' button of the top card; 'click here to reject' points to the 'Reject' button of the bottom card; 'static for now, Please provide respond status list' points to the 'Respond' button of the bottom card; 'click here to view RFP' points to the 'VIEW DOCUMENT' link of the bottom card; and 'click here to delete request' points to the 'Delete' button of the bottom card. A 'Proposal Submitted' status is visible next to the bottom card.

Order Management -> RFP Management -> Accept RFP :-

The screenshot shows the RFP Management interface with a modal window titled 'Add Quotation Price' open. The modal contains a text input field labeled 'Enter Quotation Price' and a 'SUBMIT' button. Red annotations with arrows point to the input field with the text 'enter quotation price' and to the 'SUBMIT' button with the text 'click here to submit'. The background shows the same proposal cards as the previous screenshot, but they are dimmed. The 'Proposal Submitted' status is visible next to the bottom card.

After accepting RFP, Info email has been sent to the user who sent the RFP.
