Respond To RFP :-

The screenshot shows a user interface for reviewing quotations. On the left is a sidebar with a user profile (Hi, Dummy Designer) and navigation links: My Profile, My Locations, Payment Methods, My Membership, My Rewards points, My Subscriptions, My Advertisements, Terms & Conditions, and Order Management. The main content area is titled 'REVIEW QUOTATIONS' and 'RFP Quotations'. It features a search bar, a 'TRACK ALL RFP' button, and a list of requests. The first request is for 'request for designers' with a 'Proposal Submitted' status. The request details include: RFQ ID: BM-DS-00015-1, Contact Name: cr, Contact Number: +966 645642165465, Email: em@mail.com, Type of Services: Strutural Design ,Electrical Design, Location: sdsdsg,, Antigua And Barbuda, and Experience: +0 (In Year). On the right, there are buttons for 'Accept', 'Reject', 'Respond' (highlighted with a red box and a red arrow pointing to it with the text 'click here to respond'), and 'Delete'. A 'VIEW DOCUMENT' button is also present.

This screenshot shows a modal form titled 'Respond To RFP Quotation' overlaid on the previous page. The form has a close button (X) in the top right corner. It contains a 'Comment' field with the text 'please review attachment' and an 'Attachment' field with a file named 'Mawad Mart Update(my_requests_19_sept_21)' and a 'Browse' button. A red arrow points to the 'Comment' field with the text 'enter comment here'. Another red arrow points to the 'Attachment' field with the text 'add attachment'. A 'SUBMIT' button is at the bottom right, with a red arrow pointing to it and the text 'click here to submit'. The background shows the same 'REVIEW QUOTATIONS' page as the first screenshot, but it is dimmed.
